

We are going to be very busy this term!

Our theme will be animals (and dinosaurs!). We will be looking at different animals, discovering where they live, what weather conditions they like and what they like to eat. We then have a week focusing on colour, shape and number and a week celebrating Easter at the end of term.

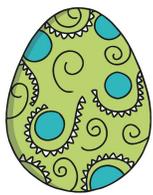

In amongst this we will be learning about Chinese New Year, participating in World Book Day and Red Nose Day and celebrating Mother's Day! It's going to be very BUSY and lots of fun!
