

Our theme for this term will be Spring. We will be exploring new beginnings, growth, and the reawakening of nature after winter. Topics will include the change in weather, budding plants and baby animals. We will also be doing some investigating and exploring outside looking at different minibeasts!

13th - 17th April: Signs of Spring

20th - 24th April: Spring weather

27th April - 1st May: Plants and growing

5th - 8th May: New life and baby animals

11th - 15th May: Minibeasts

18th - 22nd May: Colour, shape and number
